

## Corporate Events in Nielsen Park January 2012- December 2012

Nielsen Park is located on the foreshore of the world's most beautiful harbour and offers something for everyone.

Nestled in the 10 hectares of rolling gardens and natural bushland of the National Park is the White Pavilion, historically known as The Halbert Pavilion . This venue is set back from the beach providing a little more privacy from park visitors and can seat up to 90-100 guests. It is an open plan room with floor to ceiling french doors along the eastern face, opening to a broad timber deck. High, beamed ceilings and windows all around supply plenty of natural light and access to stunning harbour views . Our unique venue is ideal for conferences, and also provides the perfect environment for corporate team building sessions.

Our professional staff will assist you with coordinating your corporate event and ensuring it is tailored specifically to your needs.

If you have any additional queries or wish to arrange a guided site inspection to view our venue, please contact our Event Coordinators, Tahlia & Brittany on 02 9337 7333.
